HELLO PRIMARY 1

We are so excited to welcome you into **Primary 1** of Loanhead Primary School. We look forward to meeting all of the learners, and families, who will be joining our P1 "Team" in August and we cannot wait to have lots of **FUN** while we learn in the upcoming school year.

Primary 1 is such an exciting year filled with a lot of "firsts" and new experiences. We know that with these new experiences will come many emotions and I hope that we can help by providing a smooth and fun transition for pupils, and their families.

Our classroom is a place that fosters our school vision of: Care, Honesty, Inclusion, Learning and Development, where the CHILD is at the centre. We will play, create, learn, dream and celebrate the success of all. What a year it is going to be!
